

INSTRUCTIONS FOR THE ORAL PRESENTATIONS

You have received these instructions also in the email informing the acceptance of your oral presentation.

There is a computer and data projector for PowerPoint presentations in the room where presentations will be made. The rooms for the parallel sessions are published in the Abstract book and the Parallel sessions program on the congress website at <https://njfcongress.fi/program/>

The total length of a presentation will be 20 minutes, of which 15 minutes will be allotted for the actual presentation, and 5 minutes for discussion. Kindly be ready 5-10 minutes before the beginning of the session and report to the session moderator. The names of the moderators are published in the in the Abstract book and the Parallel sessions program on the congress website at <https://njfcongress.fi/program/>

Please, send your PowerPoint presentation beforehand to the congress organizers latest on **1.5.2022** via email to contact@njf2022.fi **in case you have not send it yet**. Your presentation will be saved onto the presentation computer beforehand. **Moreover, kindly also bring your presentation on USB with you when you arrive.**

When you prepare your PowerPoint presentation, please address the following instructions:

- landscape, aspect ratio 16:9
- the minimum recommendable font size is 20, but please, use even bigger font size

Wishing you a warm welcome!
